

Royal Descent

With 8 winners in 5 days and 11 in a week, the team is on fire and we're looking forward to this Saturday, Doncaster Day at Randwick. The \$2 million Group 1 Doncaster Mile holds special significance for the stable. It was the race 5 years ago that Chris got his first Group 1 win on the board (Triple Honour) and the race 3 years ago that Rangirangdoo finally broke through for his first Group 1 win.

With 4 runners in the time-honored event we have everything from warhorse (Danleigh), to young buck (Sacred Falls), to in-form tough guy (Shoot Out) and the classy mare Red Tracer. In a tough field we can make a case for all of them and we wish all of our owners the best of luck.

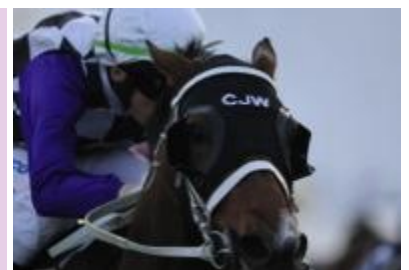

Also at Group 1 level on Saturday, Royal Descent gets her chance to re-write history in the Australian Oaks as a win for her would make her the first filly to win the race in their first preparation while Wind Bender, who is certainly bred to win an Oaks, has a chance to prove herself after showing plenty of promise. For those of you that haven't made it to Royal Randwick yet, the ATC have produced great video this week so you can see what it's like on race day – [check it out here](#).

The Melbourne stables are getting great results and are complimenting our Sydney base perfectly. Between NSW and VIC, the team is ensuring that the trip south is as seamless as possible for the horses. The southern crew is keeping them in fine fettle for their races with Multilateral winning twice in the last week and fellow import Index Linked joining him yesterday in saluting at Sandown.

PRE-TRAINING – DUKE WEEK 2

The 2yo we're following through the pre-training process over the coming weeks, a colt by Duke of Marmalade x Madam Spank (Duke), has spent his second week adjusting to routine. Up until recently he's been living the life of Riley but as you can see in the photos, since coming in last week, Cheryl and the team at Boynton Park have started the transformation from couch potato to athlete.

He's had a bath and tidy up and has started work on the walker with a bit of quiet trotting and cantering around the farm including working up the Boynton Park hill.

After his work Duke knocks back a nice drink of molasses-water to re-hydrate!

EASTER RESULTS BOUYANT

Great prize-money, Black Caviar, the new stand at Randwick and the general positive vibe around racing coupled with the quality horses on offer saw the market at last week's Inglis Easter Yearling Sale hold very strong with the sale's all-important median up an incredible 25%.

CWR secured progeny by Redoute's Choice, Street Cry and Pentire and we're very happy with our selections. Keep an eye out for horses purchased by syndicators that will be coming to our stable and will be advertised in the coming weeks.
