'This colt took my eye as a really good type by Too Darn Hot. The stallion is going amazing and we brought him very well.' GM

T&C'S

'He is by a very good stallion who is making waves, not just in Europe, but also here in Australia from a short amount of runners. We have had success in the family with Kukuracha being a Group One winner. I had a reservation that the horse being out of an older mare might hold him back, however when you see the horse, you can see that he is fully of quality and not a horse who may often look like an older mares foal. He is full of class and he is a horse who we had to have.'

'Obviously a ¾ brother to a horse we really liked in Kukuracha who has been really good for the stable, winning over a million dollar. This colt took my eye as a really good type by

Too Darn Hot.

The stallion is going amazing and we brought him very well.'
